

Response to 35 U.S.C. 121

The Examiner issued a restriction requirement. According to the Office Action, there are at least seven patentably distinct species in the claimed invention and a restriction to one of these species in claims is required under 35 U.S.C. 121.

Applicant elects one of the species related to "Embodiment 1 of Figures 3A~3B" specified in claims 1-7. Please cancel claims 8- 25 without prejudice, disclaimer or waiver. Applicant also reserves the right to pursue the subject matter of the non-elected claims in a divisional application if Applicants so choose.

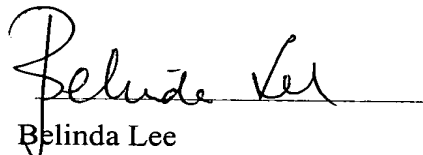

**CONCLUSION**

In view of the foregoing, claims 1-7 remain pending in the application. Favorable consideration and allowance of the present application and all pending claims are hereby courteously requested. In the event a telephone conversation would expedite the prosecution of this application, the Examiner is encouraged to contact the undersigned attorney to discuss the application.

Respectfully submitted,
